Dear Mr. Ramsby,

I am writing to inform you of my resignation for my position as job coach/paraprofessional at CTAC. My last day will be on April 14th, 2022. I have enjoyed my time working for Colchester Public Schools and at CTAC. I wish that the salary and mobility of a para would provide for a financially stable career because I really enjoy what I do. I've recognized that will not be possible so I have accepted a position that meets my needs and goals. If there is any separation paperwork I need to complete, it can be sent to my personal email at: ssabrabudney@gmail.com.

Sincerely,

Skye S. Budney
